

Drive-In Dinner To Provide a New Ride

On Saturday, February 22, the youth and adults from Youth Community Explosion were traveling to a retreat when their 15-passenger van caught on fire. Everyone escaped safely, but the van was completely destroyed. Modern Woodmen of America and Christian World Missions are teaming up to provide a new van for the youth service club. This club is teaching some of Starkville's brightest and most under-served youth to shine like stars in our community. Won't you help us get them back on the road?

Our goal is \$20,000 to purchase a used 2013 van.
