## 39th Annual Holy Spirit Conference

MAKING  
THE  
MOST  
OF EVERY OPPORTUNITY

January 14-15, 2011

Location: Louisville  
1st United Methodist

***“Be very careful, then, how you live—not as unwise but as wise, making the most of every opportunity, because the days are evil...be filled with the Spirit.” (Ephesians 5:15-16, 18)***

### **What the World Needs Now**

You don't need to hear a single statistic about the desperate condition of the world — *you know* that we are living in evil days, and the church must *make the most of every opportunity* to share the love of Christ.

The team of leaders we have assembled for this year's Holy Spirit Conference have rich experience to share. As local church pastors, international evangelists,

*Making the Most of every opportunity to share God's love in the world.*

women's ministers, church planters, worship leaders, pastoral counselors — Cecil, Bill, Joseph, Lee Ann, & Lori are passionate about making the most of every opportunity to equip God's people for ministry in the world. This team of leaders has established some of the most effective pastoral and evangelistic ministries in the Methodist Church, all around the world — because they continually rely on the being filled with the Holy Spirit. We'd like to share that with you.

Our 24-hour conference includes:

- 6 hours of powerful teaching and preaching
- 5 sessions of passionate worship
- 2 seasons of ministry at the altar
- 1/2 CEU for clergy
- Registration not required; love offering received
- Childcare available with advance request
- Friday dinner at church \$7/person

### **What the Church Needs Now**

A young ministry candidate recently said to me, “I appreciate that the annual conference wants to provide free counseling services for pastors, but to tell you the truth, I think what we really need are opportunities for spiritual renewal! I need to encounter God and grow in my walk with Him so that I have something to offer my church and community!”

That is the very reason that Christian World Missions (formerly “Cecil Williamson Ministry”) has offered the Holy Spirit Conference for the last 39 years. Free of charge to clergy and laity alike, we agree with my young friend that while counseling is of some value (and sometimes absolutely essential), opportu-

nities for church leaders to experience genuine spiritual renewal and growth are far too rare.

This conference is not just another planning and training session. This conference is your opportunity to encounter Christ and be equipped by His Spirit for a fresh anointing in your personal and professional life that just may result in a complete transformation of your local church.

Bill Beavers asks this question in light of Acts 2:42-27, “This description of the early church is so exciting we find ourselves asking, ‘Why not now? Why not today? Who wouldn't want to be a part of a church where happiness is multiplied and sorrow is divided because everyone is intent on sharing what they have?’” Exactly! Join us in January for 24 hours and let's ask, “What if?”
