# Reclaiming the Power and Passion of the Early Church

January 20-21, 2012  
 First United Methodist Church  
 Starkville, MS

Hosted by

*Christian World Missions*

*After they prayed, the place where they were meeting was  
 shaken. And they were all filled with the Holy Spirit and  
 spoke the word of God boldly.*

*Acts 4:31*

## Holy Spirit Conference

Jesus said that the Father would send the Counselor to teach us and to guide us into all Truth. The disciples were never the same once the power of the Holy Spirit came on them. They spoke the Truth boldly in situations where they had previously cowed in fear. The Holy Spirit is often misunderstood and pushed aside, yet the Great Counselor is the One who makes the Word come alive and gives us the power to face each and every situation with boldness and the peace that passes all understanding.

Join us for this powerful weekend of worship, teaching and fellowship as we reclaim the power and the passion that defined the early church and brought thousands to a loving relationship with the Father.

The 2012 Holy Spirit Conference offers something for everyone...Workshops and worship to stir the spirits of all ages, BibleQuest Children's program that blends, music, stories and fun, and even continuing education for lay speakers and clergy. We're building on a 36 year history of faithfulness and solid Biblical teaching, while adding new elements of worship and teaching. So, load up the car or bus and reclaim the power and the passion!

Christian World Missions focuses on establishing "fruit that remains" through church renewal events, women's retreats and concerts across the United States and church planting and evangelism, internationally, in Africa, India, Philippines and other countries.
