“Dr. Bobby Cabot combines both passion and wisdom, boldness and humility in ministering Christ’s healing grace to others through the power of the Holy Spirit. God uses her in wonderful, life-changing ways. I heartily recommend her to you.” Dr. Steve Seamands, Asbury Theological Seminary

“Bobby Cabot combines a deep anointing, great compassion, and profound sensitivity in her healing ministry. She is also one of the most highly educated servants I know of when it comes to helping broken people. She has been a blessing to many people, including myself.” Dr. Terry Wardle, Director of the Institute of Formational Counseling, Ashland Theological Seminary

“Bobby Cabot is one of the most Spirit-filled and Spirit-led persons I have known. Her availability to God for the sake of others is a model of what the Christian life is all about. Her ministries have been effective, transformative for both individuals and communities.” Dr. Robert Mulholland, Emeritus Prof. of New Testament, Asbury Theological Seminary

“A passion for the Living Christ and his Gospel, wide experience in full spectrum healing and pastoral ministries, years of penetrating Biblical study and theological reflection combine in Bobby Cabot to produce a depth and balance rarely seen in healing ministries.” Dr. David L. ### About our speaker:

Rev. Dr. Bobby Cabot is a retired pastor in the United Methodist Church. She ministers healing to the whole person: body, mind, and spirit. God called Bobby to the healing ministry over 20 years ago. She has conscientiously studied under the prominent healing theologians of our time, many of whom recommend her on this brochure.

Bobby believes in the healing power of the risen Christ as revealed through the Holy Scriptures, church tradition, and her own experience of witnessing countless miracles explainable only by God's divine love and grace.

Because the healing and deliverance ministry has often been unbalanced, Dr. Cabot strives for a loving, low-key approach that nurtures and edifies.

Dr. Cabot received both M.A. and M. Div. degrees from Asbury Theological Seminary, and a Doctorate in Formational Counseling from Ashland Theological Seminary. In 2011, after 15 years as senior pastor of two churches in northern Michigan, she retired to establish Kingdom Life Healing Ministries and now speaks in local, regional, and national conferences, sharing God's power in healing and deliverance ministry. Her beloved husband, Sam, died in 2017, and Bobby continues to winter in Florida and summer in Michigan.

Rev. Jeffrey J. Schrock, retired, will be assisting Dr. Cabot in teaching and prayer ministry during the school. He hosted her first conference in 2007 and has participated in many since then. After retirement, he planted a new church in Michigan which he continues to pastor now.

### What you will learn:

The Healing School is a 4-day event which combines cognitive, spiritual, and experiential components in order for all participants to learn about healing and experience the healing of Christ themselves.

The Healing School focuses primarily on inner healing. Sometimes called "healing of emotions," or "healing of memories," inner healing is a unique ministry which only Christ can do. The human facilitator is just that, the one who helps the person receiving prayer come into the presence of Christ for His divine touch.

Inner healing involves one's submission to the work of the Holy Spirit. The Holy Spirit guides a person into a wounded emotion and healing occurs as one encounters Christ in the midst of their pain.

While it is Christ who heals our emotions, not the facilitator, still there are paradigms of inner healing to learn. Facilitators need to discover appropriate tools for their tool belt, and learn how to use them so they can work effectively with those seeking healing.

### Christian World Missions:

Established in 1971 by Rev. Cecil Williamson, CWM continues to lift up salvation by grace through faith, the power of the Holy Spirit to live for Christ, and the need to share the Gospel wherever it isn't heard.

Now under the leadership of Cecil's daughter, Lee Ann, the ministry continues international partnerships in India, Nepal, Nigeria, and Pakistan, planting churches and supporting orphanages, schools, and other humanitarian outreaches. CWM also has a local outreach to underserved youth and their families in Starkville, MS, which focuses on Christian character development, academic excellence, and service learning.

Youth Community Explosion is now in its 3rd year, raising up Christian leaders from among some of Mississippi's most challenged youth.

Lee Ann and Lori Smith are available for local church renewal conferences, teaching, preaching, leading worship, and offering seasonal concerts.
